

Product Details

A slick, glossy, protective finish is easy to achieve with Spray Wax Plus!

Spray Wax Plus is specially formulated with a combination of carnauba and Polycharger™ polymers to create a slick, glossy finish and protect finishes from bugs, water spotting and road contaminants. It also can be used as a waterless wash or to remove fingerprints and smudges. Spray Wax is safe for all types of painted finishes, clear coats, chrome, polished aluminum, and glass! Vehicles with paint contaminants should be cleaned first with Pre-Wax Polish. For best results, use Spray Wax Plus on vehicles sealed with Paint Protection.

Key Benefits

- Boosted by Polycharger®; to enhance sealant protection
- Contains carnauba to enhance wax protection
- Leaves a slick, glossy finish
- Gentle enough to be used as a waterless wash
- Spray on, easy wipe off

Instructions

- Shake Spray Wax Plus well before using.
- Spray a light mist on a 2' by 2' area at a time.
- Spread evenly with a clean, dry microfiber towel.
- Flip towel and continue to wipe until all residue is gone.

Note: Protect from extreme heat and freezing.

Recommended Surfaces

- Clear coated surfaces
- Painted surfaces
- Polished aluminum surfaces
- Chrome surfaces
- Glass surfaces
